Map and terrain

Friday: **Løgumkloster By**
1:4000 – freshly drawn 2021 by Gediminas Trimakas

Built-up area with parkland. Traffic laws must be obeyed. Please respect that private areas (olive green) are off limits, and do not cross hedges and other items marked as impassable on the map. We need to leave a good impression with the locals.

Low chains blocking moped traffic may be passed.

Saturday: Lindet Skov

1:10000 and 1:7500 freshly drawn in 2022 by Gemimas Trimakas. Used at DM-night March. Fairly flat mixed forest. Fairly good runnability, many tracks. Some of the forest has not been cleared since the '99 hurricane. **One control is next to a burial mound. Do not run on the mound.**

Sunday: Haraldsholm Skov

1:10000 and 1:7500 – freshly drawn 2022 by Gedimas Trimakas. Used at DM-night in March 2022. Fairly flat mixed forest. Fairly good runnability, many tracks.
