

Invitation to Påskeløbet 2027 25-27. March at Rømø

Organizer	Orienteringsklubben HTF hereby invite to Påskeløbet 2027
Classification	4**** - Event
Race Area	Rømø Sønderland and Rømø Nørreland
Date	Maundy Thursday 25. march 2027, Rømø Sønderland Good Friday 26. march 2027, Rømø Sønderland EasterSaturday 27. march 2027, Rømø Nørreland
Event Center	Will be at the event site every day and opens one hour. before first start
Meeting point	At the traffic light at the end of the Rømø Causeway. Follow the parking signs.
Distance	For the first two days, the distance from the parking area to the event site may be up to 1,500 meters, while on day three, parking will be located right next to the event site. It is a maximum of 800 meters from the event site to the start.
Maps	Rømø Sønderland and Nørreland. Revised 2026/2027 to scale 1:7500 og 1:10000 depending on the race class.The equidistance is 2,5 m The maps have been newly revised and reviewed by the DOF map consultant. The cards are printed on tear- and water-resistant paper.
Controlsystem	Sportident is used You may use your own timing chip, but the number must be provided upon registration. It is the runner's own responsibility to ensure that a functional chip is used on all days. Timing chips can be rented for DKK 60.00 and are issued at the start. Failure to return a chip incurs a fee of DKK 500.00.
Terrain description	The Rømø Easter Race will take place in highly varied terrain, featuring both forests—predominantly coniferous plantations with a well-developed network of paths—and large, open dune areas. Conditions in March carry a risk of the ground being quite wet. The terrain is challenging and will present orienteers with a number of technical navigation challenges.    

Race classes

Course lengths:

Stage 1, Maundy Thursday: Long-distance race.

Stage 2, held on Good Friday, is a middle-distance race of up to 50% of the distance of Stage 1.

Stage 3, on Easter Saturday, features a shortened long-distance race—up to 75% of 1. stage.

The length measurements are indicative.
